

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

Order Instituting Investigation into the ratemaking implications for Pacific Gas and Electric Company (PG&E) pursuant to the Commission's Alternative Plan for Reorganization under Chapter 11 of the Bankruptcy Code for PG&E, in the United States Bankruptcy Court, Northern District of California, San Francisco Division, In re Pacific Gas and Electric Company, Case No. 01-30923 DM.

Investigation 02-04-026
(Filed April 22, 2002)

**ADMINISTRATIVE LAW JUDGE'S RULING
TO ACCEPT ENERGY DIVISION FILING LATE**

Energy Division was directed to file one copy of the Commission's Plan of Reorganization (POR) for Pacific Gas and Electric Company (PG&E) with the Commission's Docket Office by August 2, 2002. (See Ruling dated July 23, 2002.)

By letter dated August 6, 2002, the Energy Division Director provided a copy of the POR and requested that the filing be accepted late. Further, the Energy Division Director reported that a copy of the Commission's Disclosure Statement was included with the POR to ensure completeness of the record.

No objections have been received to Energy Division's request. There is no resulting harm by accepting the filing late.

PG&E filed its POR on August 2, 2002. (See Ruling dated July 23, 2002.) PG&E included a copy of its Disclosure Statement with its POR. Inclusion of the

Commission's Disclosure Statement with the Commission POR mirrors the filing made by PG&E, and will promote completeness of the record.

IT IS RULED that the request of the Energy Division Director for leave to file the Commission's Plan of Reorganization (POR) for Pacific Gas and Electric Company late is granted. The Docket Office shall file the Commission's Disclosure Statement along with the Commission's POR.

Dated August 19, 2002, at San Francisco, California.
